Show Time

Yes it’s that time of the year again. You know when the Royal Show is here that the Pageant and Christmas are not too far around the corner. These are probably some of the highlights in a child’s memory that stays with them for ever.

We delight in going to the show with our cattle and living on site for the show week. Roughing it, eating amongst the cows and all sleeping in a 6’x10 locker space. We enjoy catching up with other exhibitors and sharing in family sing-a-longs. If we come home with a ribbon it’s a bonus and more often than not the children come home with more money than they came with.

We have taken our children on some amazing holidays over the years but if you gave them a choice, show week would win hands down. It’s the simple things in life that often give the most pleasure:

“If you want your children to turn out well, spend twice as much time with them and half as much money”

So remember that they are worth investing your time in and when they are making a mess or making a noise – they are probably only creating memories. Live, laugh and love with your children and the rewards will be abundant. Abundant blessings Kerry 😊

Hunger in the Hills

Term 3 fundraiser, serving people in the hills by donating tin foods, pasta sauce jars and long life milk is much appreciated. Watch our tin food construction grow in the library.
